When you book your celebration with us at Great Divide, you are booking a venue as unique as your love story. Here are a few things that set us apart:

- **No Wedding Specific Fees or Upcharges**

We never charge additional fees or upcharge for weddings or special events! Our gift to you!

- **No Ceremony Fees**

Our vow to you if you're saying your vows with us! We also include a complimentary rehearsal and can be your weather back up plan if you book an outdoor ceremony venue!

- **No Late Night or Noise Restrictions**

One of the many pros of our RiNo neighborhood location! We get it - you want the best day of your life to last a little longer!

- **No Day-of-Coordinator Requirement**

We got you covered. We've done it all and we'll do it all for you! Setup, cleanup, and keeping the mic away from Uncle Bob.

- **Bring Your Own Booze with No Corkage Fees**

Save a pretty penny by bringing in your own wine and liquor when you utilize our Great Divide bartenders. No corkage fees, ever.

- **No Exclusive Vendors**

Is your brother part owner at a winery? Does Aunt Mary's neighbor own a bakery? This is YOUR day and we want you to book the vendors that best fit your vision and budget.

Just please don't let your buddy Chad be the DJ...

- **No Minimum Spend Requirement**

We welcome celebrations of all sizes and budgets. All beer is charged on consumption with the option to take away any leftover cases!

- **Flexible Seating Options**

We work with our fantastic rental partners to make your vision a reality. We offer a full range of product options for every style and budget.
